

First Things First

Find the **BOLD** words. The left-over letters **spell a message**. If a word is bold **twice**, it's in the puzzle twice.

The slogan, "**First Things First**" **helps** us to set **reasonable priorities** and to keep a **realistic perspective**. This **slogan helps** us to make **choices** we are **comfortable** with, and to **act** with **balance** rather than **react** to crises.
