Georgia was 'the voice of District 5' for many many years. Hers was the first voice many heard pre-internet. To have funds to pay for the separate phone line in her house, she contacted WSO and began selling our Conference Approved Literature. We will be sharing experience, strength, & hope as we recall memories of this District 5 icon (kleenex provided). If you cannot attend but would like to share, please send an email, and it will be read aloud at the event. Please send your questions, comments, and shares to [<TributeToGeorgiaD@aol.com>](mailto:TributeToGeorgiaD@aol.com).
